REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump.

If you must burn rubbish or brush:

- a. Always get a permit to burn from the warden.
- b. Start your fire late in the day after 5:00 P.M.
- c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT ON THE MONADNOCK REGION ASSOCIATION TO THE TOWN OF SHARON

The Monadnock Region Association maintains a building of its own at the junction of Routes #202 and #101 at the Peterborough by-pass. This combination showroom and information center is staffed by a full-time receptionist-office secretary and an executive secretary who divides his time between the office and the field.

Aside from fixed charges and overhead, the bulk of the money received is used for promotional work, and includes such items as 30,000 Regionaires, 30,000 summer folders, 25,000 Fall Foliage Folders, and Tour Maps, 25,000 Winter Ski and Sports Brochures and Maple Syrup Bulletins. Four season vacations are emphasized. Apple Blossom, Laurel, and Fall Foliage tours are publicized and posted in season.

The Association sponsors 4-H activities, high school bands, the N. H. Philharmonic Orchestra, Agriculture, Industry, and the Hotel-Tourist trade. In addition, as occasion arises the Association lends its weight for better roads, better and more picnic areas, better hunting and fishing with protection to land owners, better forestry practices and, in short, for all things that tend to make the Region more livable and attractive.

Our exhibition facilities are open and available to anyone in the Region. The local public, as well as the tourist public, are welcome at headquarters anytime.

NO-SCHOOL SYSTEM

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:15 A.M., and by having it announced over radio station WBZ, WKNE, and WKBK at the same time approximately. When the No-School Signal is given it means that there will be no school in all grades all day.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. The local telephone operators are no longer able to assist in giving no-school information.

REPORT OF DISTRICT CLERK

Tuesday, March 9, 1965

The meeting was called to order at 7:02 P.M. by Moderator, John Milton Street. Supervisory Union Superintendent William Kelly and Assistant Superintendent Earl Barnes were present. There were several new voters present: George Walsh, Edgar Morrow and Heine Ekkert; and new resident Mrs. Wayne Wilson.

It was unanimously voted to dispense with reading the Warrant.

The following action was taken:

Article 1: John Milton Street was nominated and elected Moderator for the ensuing year, the Clerk casting one ballot.

Article 2. Violet M. Newton was nominated and elected Clerk for the ensuing year, the Moderator casting one ballot.

Article 3: Robert Young was nominated and elected a Member of the School Board for the ensuing three (3) years, the Clerk casting one ballot.

Article 4: Winifred Clark was nominated and elected Treasurer for the ensuing year, the Clerk casting one ballot.

Article 5: It was moved, seconded and unanimously voted that the salaries of the District Officers for the ensuing year be as follows: Chairman of the School Board, \$25.00; each other member, \$15.00; Treasurer, \$12.00; Clerk \$10.00; Moderator, \$2.00; Auditor, \$5.00.

Article 6: It was moved, seconded and voted that the Auditor's report be accepted as printed in Annual Report.

At this time, Mr. Kelly, Union Superintendent, was introduced and told us some of the facts about "Area Schools." The four main points were:

(1) Peterborough has been running its school like an area school, i.e. taking students from other communities.

(2) Peterborough can obtain additional state aid for its building program when listed as an area school.

(3) Peterborough proposes to move the elementary grades out and use entire space for High School where the "Push" is.

(4) A school that takes in pupils from other communities receives 25% additional State Aid which can be applied towards tuition. Tuition for the sending towns for 1965-66:

Elementary	\$387 82
Jr. High	462 52
Sr. High	570 18

In addition to the tuition there will be a rental charge and a usage charge.

According to present law, Peterborough cannot qualify as an Area School. Special legislation would have to be enacted.

Article 7: Michael Stuhlsatz was nominated and elected Auditor for the ensuing year, the Clerk casting one ballot.

Article 8: It was moved, seconded and unanimously voted that the school district raise and appropriate \$12,209.00 and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon the determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes.

Article 9: It was moved, seconded and unanimously voted to create an area school district planning committee as prescribed in R.S.A. 195-A:3. The following voters were nominated: Mrs. Pearl Stevens (school board), Mrs. Doris Stuhlsatz, and Mr. Heino Ekker. Nominations were closed and the Clerk cast one ballot from their election. The meeting adjourned at 7:34 P.M.
